

January 28, 2010

Dear Cavalier Families,

I am pleased to announce that the Robert E. Lee Academy family will be participating again this year in the Souper Bowl of Caring. This is a national program that coincides with Super Bowl Sunday, which brings attention to the needs of the hungry in America. I know it's hard to imagine families right here in Bishopville without enough food to eat, yet this is a reality.

Many of your churches may be participating as well; that's great! What we are suggesting a donation of \$1.00 per child and staff member. All of the money collected will go to the Harvest Hope Food Bank of Florence for their efforts in feeding the families of many central South Carolina counties including Lee, Kershaw, and Darlington. As we give this year, we remember and pray for the families in Haiti.

Here's how this will work. Students in Daycare – Grade 7 will collect money in their homerooms. Coins are welcomed! Students in Grades 8-12 will donate spare lunch change in the cafeteria. All money will be collected during the week of February 4-7. If you are interested in making a larger donation that would require a check, please make that check payable to Harvest Hope Food Bank of Florence.

Prayerfully consider donating to this great cause. As you and your families sit down to dinner this week, think about those families without enough food, whose children will go to bed hungry. We are so blessed.

You can learn more about hunger in American and about Harvest Hope by visiting the sites listed at the bottom of this letter.

**THANK YOU FOR YOUR PRAYERS
AND GENEROUS SUPPORT!**
